Dear Sir/Madam,

Witney Vikings Youth Football Club would like to offer your company the opportunity to play a part in our community and benefit from some great advertising exposure at the same time.

We provide a safe and friendly environment all year round, a platform for over 175 young people of all ages to develop – Physically, Technically, Socially and Psychologically – by having fun through football.

Long-established since 1975, we are currently the fastest growing youth football club in the Witney area and supported by many local and non-local schools. We are very proud to be an organisation run entirely by volunteers.

Our aim is to keep the costs for our members as low as possible, making the game accessible to as many as possible. However, costs can be high for the rental of playing space, referees, league affiliation and more. As such, every penny of fundraising and sponsorship monies goes towards kit and equipment, facilities, Coach education and maintaining standards for the welfare of all young players in our teams.

If you would like to **get your company noticed by sponsoring a Matchday Kit, Training Kit or Equipment** please see our sponsorship tree enclosed and contact me directly. Feel free to get in touch via our website should you wish to know more about any aspect of local youth football.

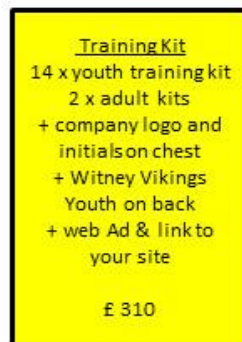

Best regards and yours in football.

*Nick Walkington*
